🪪 ABOUT

I am a web application developer with experience in designing and developing web apps. Creating user-friendly and visually appealing web apps is my passion. I possess a keen eye for detail and a strong ability to troubleshoot technical issues, enabling me to deliver effective solutions that exceed expectations. As a team player with strong communication skills, I have a willingness to learn new technologies to continually improve my skill set.

🎓 EDUCATION

Bachelor of Business & Information Technology 2021 Dec – 2025 May | Lahore
University of the Punjab

Intermediate (Pre-Engineering) 2019 May – 2021 May | Pirmahal
Faran Group of Colleges, Pirmahal Marks (95%)

🧠 SKILLS

HTML AND CSS	**ReactJs**	**Java**
Node.js	**Express.js**	**C++**
Problem Solving	**Database Management System** MongoDB and SQL	

📂 PROJECTS

Spotify Clone (HTML, CSS and Javascript)
I developed a Spotify clone using HTML, CSS, and JavaScript. Users can browse music, create playlists, and enjoy a seamless music playback experience, all within the browser. The design is fully responsive, ensuring a smooth experience across devices of all sizes.

Ochi clone (ReactJs)
I developed an Ochi clone. It is a stunning website crafted with React, designed to showcase my skills and experience in a visually appealing and engaging way. Ochi is an awarded website.

Instagram Clone (MERN)
This Instagram clone built with the MERN stack, lets users view reels, send requests, and see stories, offering a comprehensive social media experience tailored for professional presentation.

Pinterest Clone (MERN)
A Pinterest clone created using the MERN stack. Features include user authentication, image upload, pin boards, search functionality, and a responsive design. Displays proficiency in full-stack development with MERN.

E-commerce Website (MERN)
I've created an e-commerce website using the MERN stack. It's user-friendly, secure, and responsive, offering a variety of tech products for online purchase.

📑 CERTIFICATES

HTML & CSS (Bootstrap) 🔗
Certificate in HTML and CSS from EDUCBA, providing indepth knowledge of web development and design.

JavaScript 🔗
Certificate in JavaScript from Open Weaver and Great Learning, providing an in-depth understanding of JavaScript programming language.

💼 PROFESSIONAL EXPERIENCE

Frontend Web Developer 2023 Apr – 2023 Sep | Lahore
During my internship at Taptoconnect, a US-based company, I developed responsive and user-friendly frontend interfaces, contributing to the company's web development project
